Disciplinary Proceedings Form

If you have been suspended from the Club for any reason and you have not appeared before the Disciplinary Committee to determine your innocence or guilt, along with any penalty that may be imposed, you may wish for the matter to be dealt with in another way. Please note you will not be allowed to re-enter the Club until such time as you have satisfied the requirements of the Disciplinary Committee regarding your suspension.

As a matter of policy if a suspended member fails to appear before the Disciplinary Committee on the advised date their suspension remains in place until they do attend a Disciplinary Committee meeting. If you fail to satisfy the Disciplinary Committee's requirements any penalty that may be given commences on the date the Disciplinary Committee determines the outcome of your suspension. If you cannot attend your disciplinary hearing at your assigned time date and time it is in your best interest to agree for the matter to be dealt with in an alternate way.

if you cannot attend your disciplinary hearing please complete the following details and return this form to the Club.

- I cannot attend the disciplinary committee hearing on the date set out in the Club's suspension letter and I would like the matter dealt with by the Board without my involvement. I understand that I will be obligated to accept any finding of guilt along with any penalty given.
- I cannot attend my disciplinary hearing on the date set out in the Club's suspension letter but would like to attend on another date.
